FOREWORD

Potawatomi Chapter, Daughters of the American Revolution, was organized in Gary, Indiana on 18 Feb. 1914, the 55th chapter to be chartered in the State of Indiana to promote the DAR objectives of historic preservation, promotion of education, and patriotic endeavor.

During its first year of activity Potawatomi Chapter obtained, in manuscript form, a record of the first 100 marriages performed in Lake County after the organization of the county on 15 Feb. 1837, and copies of this manuscript record were sent to the Gary Public Library, and to the DAR Library in Washington, D.C., in 1915 - the first time these Lake County marriage records were made available as reference in any public library.

The early marriages in Lake County from 1837 to 1850, as well as the Lake County births, marriages, and deaths from 1850 to 1920 were copied under the Works Progress Administration in 1939, and a copy was sent to the Indiana State Library in Indianapolis. This remarkable WPA compendium of Lake County vital records is an invaluable collection for genealogists and searchers, but very few libraries have copies of it, and its existence is not well known. In 1969 a copy of these WPA records was placed in the Ft. Wayne Public Library, and another was placed in the Lake County Public Library in Merrillville, Indiana, and can be seen there.

Now, so that some of these early Lake County marriage records may be made available to the public in concise reference form, Potawatomi Chapter offers this booklet of the First Marriage Records of Lake Co. Indiana from 1837 to 1850, so that it may be presented to libraries, and distributed to interested individuals, as a Potawatomi Chapter U.S.A. Bicentennial Project for 1976.
